A TRIP TO PHILMONT SCOUT RANCH IN THE MOUNTAINS OF NEW MEXICO
OR A THRILLING CANOE TRIP IN THE WILDERNESS OF NORTHERN WISCONSIN

History is repeating itself! As in 1917-1918 when Boy Scouts proved their ability to serve America effectively in wartime, we are again demonstrating that a trained and self-reliant Scout is invaluable in this day of need. Self-reliance and training in Scouting skills can best be gained in summer camp. If we are leaders in thought and action as well as in name we must lead the way to more trained Scouts—we must help boys get a summer camping experience—and we should make every effort to be a part of that experience so that we too will be ready to serve in any eventuality.

So—Let's ALL Go Camping This Summer!

Yes—

Let's ALL Go Camping This Summer!

AT OWASIPPE . . . near Whitehall, Mich.

Founded in 1912, the Owaspippe Scout Camps have enjoyed an enviable record for adventure and fun filled programs. Here in the great Manistee National Forest, the Chicago Council Boy Scouts of America occupies more than 1200 acres of forestland. Contained within this area is almost the entirety of one lake and more than half the shore line of another. This great camping organization, created to allow the Scouts of Chicago an inexpensive camping opportunity has had more than thirty-nine thousand Scouts in attendance. Far exceeding the minimum requirements for health and safety, directed by professional Scout Leaders, the Owaspippe Scout Camps will soon be ready to welcome you and your Troop for a great north woods adventure.

This year all Owaspippe camping will be restricted to Crystal Lake, and Douglas District is fortunate in obtaining the use of one of the most beautiful and complete campsites available on that lake for Camp Belnap.

A dining hall and recreation building, screened tents, a fine beach with an adequate supply of watercraft—all of these features and more await the Belnap campers of 1942.

Of course we should plan to have at least sixty campers to justify making these arrangements. So let's all plan to be at Belnap. We'll leave Chicago on Wednesday, August 5th and return on Monday, August 17—after a swell camping experience. So that adequate arrangements can be made for all Belnap campers, you should submit the attached reservation with \$2.00 per Scout before June 30th! The balance of the board fee plus railroad transportation is due not later than July 29th.

Mr. Emerson James, District Executive, will be Camp Director—he is now selecting a capable staff to help you and your Troop have an enjoyable and worthwhile time. Mr. James is a former Owaspippe camper and has also had considerable experience in the Cleveland Council of the Boy Scouts of America.

Be at Belnap this summer!

Yes— Let's ALL Go Camping This Summer!

AT KIWANIS . . . Willow Springs, Illinois

Located on Tuma Lake in the spacious Palos Park Forest Preserve, Kiwanis has been the scene of a great summertime adventure for thousands of Scouts since its opening in 1931.

Swimming, boating, canoeing, craftwork, nature lore and many similar features await the Troops and Scouts who will camp at Kiwanis this year.

Kiwanis fills the need for a summer camp of short duration and extremely low cost and every effort has been made to pack the five day period with real camping thrills and opportunities. Kiwanis will open on Monday, June 29—See application for dates.

Consult your District Executive for information relative to the free and partial camp scholarships available at Kiwanis.

Yes— Let's ALL Go Camping This Summer!

AT PHILMONT SCOUT RANCH . . . Cimarron, New Mexico

More than one hundred and twenty-seven thousand acres of rugged mountains, of plains, of canyons recently presented to the National Council by Mr. Waite Phillips. Here's a new opportunity for a "never to be forgotten" experience with winding rivers and mountain paths to beckon as your horse, trained for these trails, carries you to adventure 12,000 feet above sea level. See the country of Kit Carson, of Jim Bridger, of Black Jack Ketchum . . . see the Taos Indian Pueblo. Come to Philmont this summer! Two weeks of high adventure, with six wonderful days at Philmont for only \$58.00 including transportation, food, rental of horses, etc. The party is limited—register now!

Yes— Let's ALL Go Camping This Summer!

AT THE REGION SEVEN NORTH WOODS EXPLORER CANOE CAMP . . . Lost Canoe Lake, Wisconsin

Say! even to we "greybeards" that name sounds exciting—just think of the thrill-filled dreams it will give boys! Region Seven's own Canoe Camp new this year—ready and waiting for the Scouts from your Troop who want canoeing at its best. Paddle slowly, quietly, 'round that bend, there may be a deer! "Our Paddles keen and bright-flashing like silver"—yes truly "Our Paddles" for some lucky Scouts this summer. And the cost is surprisingly reasonable; about \$1.50 per day for each person, including all the equipment and food. The Camping Service stands ready to give you further information.

AT YOUR OWN LONE TROOP CAMP

If you've been a "Camping Troop" for many years perhaps it's about time to think of operating your own summer camp. If you haven't a site readily available why not think about one of the suggested trips—or utilize Wilderness Camp—or, for close to home spots, think of Campinland in the Dunes, or Camp Harrison or Camp Fort Dearborn, these latter two have cabins—at Campinland you'll need all of your own equipment. A Charter is essential and must be secured in advance, see the attached application. A book of helpful hints can be secured from the Camping Service.

HOW TO ATTEND OWASIPPE OR KIWANIS

Free Leadership for Troops

The "Troop Basis" is the *best* way to come to camp. The Camping Committee, recognizing this fact has made a special financial concession to both the adult Leader and the Scouts. For each Scout from the same Troop attending camp for a full period when the adult Leader is present, the Troop will be given credit for one eighth of the board fee of an adult Leader. On this basis, if a Troop has eight boys, a Leader goes free except for transportation. If a Troop has sixteen boys, a second Leader may also go free. However, if a Troop has only four Scouts attending, a credit on Leaders' board is given to the extent of 4/8ths of the Troop rate, etc. In addition, each Scout in Camp with this Leader will receive a rebate—see No. 9. An adult leader must be present for the entire period.

Leaders should be 21 years of age or older. Leaders may be Scoutmaster, Assistant Scoutmaster or Troop Committeeman from the Institution sponsoring the Troop. Leaders *must* be at least 18 years of age to be acceptable under this plan.

Leaders may not combine Troops for this plan unless from the same Sponsoring Institution.

Have a Patrol in Camp

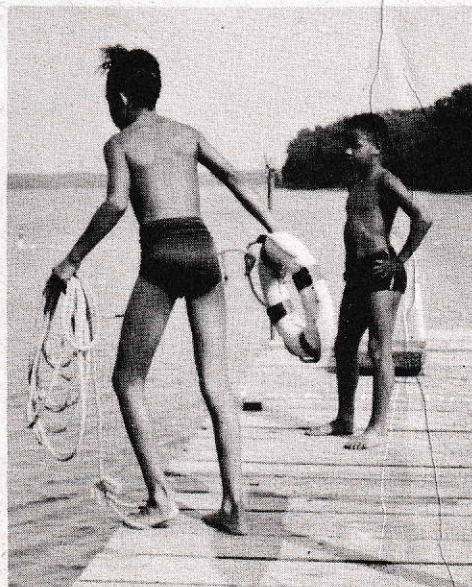

The "Patrol Basis" is designed to encourage the attendance of new Troops and Troops inexperienced in summer camping wherever adult Leadership is not available. The *only* basis for acceptance—Group must not number less than four or more than eight, *including* the junior leader who must be sixteen or seventeen years of age. In camp they will be under the supervision of a provisional Scoutmaster. Only one such patrol per Troop will be accepted during the season at Owassippe or at Kiwanis and then only if there is to be no "Troop Reservation". The junior leader in charge will pay the same rate as the other Scouts. There is a special rebate on the Camp fee to all Scouts who attend under this plan—see No. 9.

Individual Scouts

Individual Scouts are welcome at Camp. The Scout is placed in a Provisional Troop—supervised by a resident staffman known as a Provisional Scoutmaster. Scouts who desire to stay in camp longer than the Troop or Patrol, may also register as "Individuals" for any number of additional periods.

★ Be PATRIOTIC - Be THRIFTY!

The wastepaper and scrap campaigns now being conducted present an unusual opportunity to earn money for camp. Not only is this an excellent method of practicing "A Scout is Thrifty"—but it is also a genuine patriotic service which each Scout can and should render to his country.

HAVE YOU A "PROBLEM"?

Perhaps your Troop has a camping problem which you feel applies only to your particular situation. Your District Camping Committee, the Commissioners, Executive Staff and the Camping Service are always ready to be of assistance. Do not hesitate to call on any or all of them for assistance.

NO SCOUTS IN CAMP?

To those Troops that have had no Scouts in Camp for the past two or more years. Of particular interest to you is the Order of the Arrow Campfire Program. A typical summer camp campfire program is presented at your Troop meeting on request and is designed to have your Scouts participate. Call the Camping Service for this assistance.

Reservation, Leadership and Rate Information

Reservations for Owasisippe and Kiwanis will be accepted on and after Monday, April 27, 1942.

Every reservation for Owasisippe, whether by Troop, Patrol or Individual must be accompanied by a two dollar reservation fee for each Scout. Kiwanis registration fee one dollar.

On and after Monday, April 27, reservations will be accepted on these bases:

- a. For Troops—any number of Scouts attending camp with an adult leader from their own Troop.
- b. For Patrols—Four to eight Scouts under junior leadership (16 or 17 years of age) from their own Troop.
- c. For Individuals—Scout who can not attend camp on either of the above bases. Also for Scouts who want to register for additional periods beyond the one period the Troop or Patrol will stay.

More details on these plans will be found elsewhere in this folder.

Troop and Patrol basis reservations must be made on the blank herewith. Names of Campers are to be listed thereon. This blank must be accompanied by a two dollar reservation fee per Scout per period for Owasisippe. One dollar reservation fee for Kiwanis. These names may be changed, see No. 6. At the time the final board payment is made an Individual Scout Camp Application, properly filled out, must be submitted to the Camping Service.

Individual Scouts may register for camp as mentioned under 3c. The reservation fee of \$2.00 per period at Owasisippe (\$1.00 at Kiwanis) may be paid direct to the Camping Service if desired. No application is necessary when reservation fee is paid; a camp application, properly filled out, will be requested at time final board fee is paid.

The receipt for the reservation fee for each Scout (\$2.00 for Owasisippe—\$1.00 for Kiwanis) whether accepted on the Troop, Patrol or Individual basis will be written in the name of an individual but it is transferable within the Troop, prior to one week before the opening of the period. (The Camping Service need not be notified of this transfer, but the receipt must be

brought in when the final board fee payment is made). After one month prior to the opening date of the period no refund of the reservation will be made. Only one reservation receipt may be used in paying the board fee for a Scout in any one period.

Balance of the Camp Board Fee (and railroad fare for Owasisippe) must be paid at least one week prior to the opening of the period otherwise the reservation will be automatically cancelled and no refund will be made.

Camp fee:

Owasisippe—1st, 3rd, 4th periods—\$18.50 per period (\$19.50 for stayovers and out of town Scouts.)
2nd period (one day less than others)—\$17.25 (\$18.25 for stayovers and out of town Scouts.)
Kiwanis—\$5.00 per period.

The Camping Committee reserves the right to adjust the camp fees in case of some unforeseen condition, however it is not anticipated that this will be necessary.

Rebates will be made at Camp to Scouts who attend on either the Troop or Patrol Basis—a savings that will help Scouts with their spending money for home or Camp.

Owasisippe Rebates:

If attending on Troop Basis Scout will receive a rebate of \$1.00.

If attending on Patrol Basis, Scout will receive a rebate of 50c

Kiwanis Rebates:

If attending on Troop Basis, Scout will receive a rebate of 50c

If attending on Patrol Basis, Scout will receive a rebate of 25c

Railroad transportation rate for the round trip, Chicago to Owasisippe and return, via the Pere Marquette Ry. will be \$4.25 including Federal Tax of 5%.

Please Note This Change—The Individual Scout Camp Application heretofore submitted for each boy will not be needed at the time the reservation is made on any of the three above bases (3, a, b, c). This Individual Scout Camp Application, signed by the parents and Scoutmaster, will now be required at the time the balance of the board fee is paid—one of these will be needed for each Scout whether he is to come on the Troop, Patrol or Individual basis.
